

## FEEDING CORN TO RATS !!!

Read the Government statistics on the quantity of corn that is destroyed by RATS every year. A great quantity of that which they do not actually eat they render useless by running over it.

Rats are known to carry many kinds of diseases - hog cholera, foot and mouth disease and many others. You run a great risk in feeding to your hogs corn over which rats have been running.

Save your corn, hogs and family by storing your corn in a Securo Metal - Rat proof, fire-proof, weather-proof, Corn Crib.

WAGING WARFARE ON RATS  
Health Service Fears Possible  
Outbreak of Bubonic Plague, Already  
Known in Mexican Gulf Ports.

Washington.—"Death destruction," says the Health Service Bulletin, "can be accomplished by trapping or poisoning and by using natural enemies, such as certain breeds of cats and dogs." To insure the safety of the public, the Health Service has issued a circular to Surgeon General to insure that the rat food supply is secondary.

protect the nation against bubonic plague. The activity of the health service results from the appearance of the plague in Mexican and American gulf ports and points in the Mediterranean.
